Hi Jim,
I don't think that we will have a call in option. We have also invited the RRAC members to submit written comments on CDFs. We will include written comments submitted by the RAC to the State Land Board when we bring them the proposed rules for review. The Land Board will have the opportunity to read your comments, and take them into consideration if/when they need to make a decision on a confined disposal facility on state land. I can provide you (and any other interested parties) with those comments once we get them in.

Thanks,

Chris

Chris,
I won't be able to attend tomorrow's RRAC mtg due to schedule conflicts. However, I'm very interested in hearing the CDF discussion in the afternoon (2:30-3:30), & am available then. Will you have a call-in option available?
